

LEGENDS LADIES NINE-HOLE GOLF ASSOCIATION (LLNHGA)

Welcome to the Legends Ladies Nine-Hole Golf Association! We look forward to having you join us on Tuesday mornings throughout the year for golf, games and companionship followed by lunch in the clubhouse. The following letter gives very basic information about our league. When you join our league, you will attend an orientation session to review protocols and information in more depth, presented by one or two Board Members in charge of orientation.

On your first day of League Play, you will be assigned a Golf Buddy, someone who can help you get the lay of the land and answer any questions you may have as you play the course. Our request is that you refresh yourself on general golf rules and etiquette before you play so the buddy can be supportive in areas other than general rules.

Membership and Structure

The LLNHGA is open to female golf property owners and renters in Legends who reside in a golf property. There is NO handicap threshold to participate in our League, but some golf experience is expected, and you'll need to establish a Handicap before you join the league. A Membership Application is available in the Pro Shop, and also online on our website.

The Pro Shop will help you get your handicap established. You will need to open a GHIN account (\$20 per year) and play three rounds of 18 holes each, or 6 rounds of 9 holes each, or some combination thereof to get your starting handicap. We play from the 6, 5/6 or 5 tees. You will need to declare your tee choice at the beginning of each season.

Schedule

Our League year runs from May 1st through April 30th the following year. League "season" runs October 1st through April 30th, with organized games each week. Summer season runs May 1st through September 30th with an organized game in the summer if 12 or more golfers sign up to play. League dues are \$45 if paid before May 1st for the upcoming year, and \$50 if paid after May 1st.

Weekly Registration

Sign up to play up to one month in advance through ForeTees, with a firm deadline of Thursday noon in advance of the following Tuesday. Each week you sign-up to play, the Pro Shop will charge your golf account \$5 to finance the weekly game prizes. This money is refundable if you cancel before Saturday at 11:00 AM ahead of the following Tuesday League Day. If you cancel after Saturday, the \$5 is not refunded. Costs for special events may be different and will be announced prior to the event.

50/50

A voluntary 50/50 raffle is available each week. The cost is \$5.00 for 3 tickets, or \$2.00 for 1 ticket, upon which you write your member number. The pot is divided in half; half goes to the League budget, and the remainder is divided by twenty dollars, which determines the number of winners. The winners are drawn at random during lunch (need not be present to win). The league uses the money to help pay for special events and year-end awards.

League Website

The LLNHGA website is www.llnhga.com

Rules of Golf

All competitions are governed by the USGA's rules of golf. If you have any questions about how the rules apply, please discuss with our Pro Staff. It is our obligation as players to protect the field by ensuring our playing companions also follow the rules.

Things to Remember while enjoying your round

- Keep pace with the group in front of you
- Fix your ball marks on the green, and fill divots on the fairways
- Rake the bunker after your shot, clean your shoes before stepping on the green
- Enter and exit the fairway at the stakes
- Keep your cart on the fairways and off the rough
